

CONNECT

Position	Graphic Design Manager
Report to	Marketing Director
Organization Name	CONNECT, a brand of Oman Exhibition Organizing Company LLC
Location	Muscat, Sultanate of Oman
Relevant Industry	Exhibitions, events, and conferences.

Requirements

- Degree
- Experience 7+ years in the field of design
- Open to Omanis only
- Strong verbal and written communications skills in English and Arabic.
- Multi-tasking and time-management skills.
- Skilled in collaborative and fostering a creative culture.
- Ability to work on-site during events.
- Deep understanding of brand positioning, visual architecture, and the ability to strategically evolve and maintain the visual identity of a diverse portfolio of corporate B2B brands.
- Proven ability to conceptualize contemporary, avant-garde design concepts that elevate event brands across multiple mediums.
- Strong self-direction with the ability to manage the entire design lifecycle, handle competing priorities across a full portfolio of shows, and meet tight deadlines independently.
- Expert-level proficiency across the full adobe suite, specifically photoshop, Illustrator, and InDesign, for high-end digital and print production.
- Practical experience in video editing (e.g., Premiere Pro, After Effects) and professional photography execution and retouching.
- Deep understanding of designing for diverse environments, seamlessly transitioning between digital web assets, social media campaigns, print collateral, and large-format physical event branding.
- Excellent communication skills to effectively liaise with internal marketing teams, sponsors, partner, and suppliers to ensure technical artwork compliance.
